

CRIED DAY AND NIGHT WITH ECZEMA

Baby a Mass of Sores. Looked for His Death any Minute. Cuticura Soap and Ointment Brought First Good Sleep for Two Years. Soon Cured.

R. F. D. 4, Mt. Pleasant, Ohio. — "When my little boy was a week old he was taken with eczema and I was looking for his death any minute. First his face turned red, but I did not pay any attention to it. It began to get worse and he just tossed his little head and on from the pillow and cried day and night. He began to scratch himself so that I had to muzzle his little hands, and then the rash began to go over his whole body until he was a mass of running sores. The more I doctored him the worse he got. He had it so bad that his little ears began to rot off and his scalp was something awful to look at. I saw the Cuticura Soap and Ointment advertised and got a bar of Cuticura Soap, making a lather all over his body with the soap and hot water and then I dried him off well and anointed him with the Cuticura Ointment. He went right to sleep and slept four hours, the first good sleep he had for very nearly two years. I kept on using the Cuticura Soap and Ointment and it was no time before his skin began to get well. Soon he was completely cured. He is sixteen years old now and has not had a sign of the eczema since he was cured by the Cuticura Soap and Ointment." (Signed) Mrs. N. M. Beecher, Sept. 12, 1911.

No stronger evidence than this could be given of the success and economy of warm baths with Cuticura Soap and gentle applications of Cuticura Ointment in the treatment of torturing, disfiguring humors of the skin. Cuticura Soap and Ointment are sold everywhere. Liberal sample of each mailed free with 35¢ book. Address, "Cuticura," Dept. T, Boston. Tendered-shed men should share with Cuticura Soap Shaving Stick.

MORE THAN \$1,000 COLLECTED
IN FIVE DAYS BEING MONTH
During the month of February \$1,000.00 was collected by the city police department and 515 warrants were made. Convictions were secured in 245 cases 240 were dismissed 25 were sent to the county jail. Two to the county hospital and two officers were turned over to outside officers.

Failure To Provide Against Old Age As Dishonest As Purse Stealing

Suicide or Misery Awaits Those Who Sport With Disaster by Spending All They Have Seeking Pleasure or Satisfying Their Vanity.

By DOROTHY DEX.

THE other day a man committed suicide because he had lost his job, he was out of money, and had passed that dead line in life after which a man finds it practically impossible to get a good new situation in business.

A sad case, truly, but in this particular incident the pathos lies in the fact that the tragedy was wholly unnecessary, and that the man brought his misfortune on his own head by his own lack of providence.

For this man was not one of those pitiable ones who are forced to work for a little wage, and who, strive as they may, can never do more than keep the wolf a few inches away from their door.

He had been for many years a traveling salesman for a big concern, and had drawn a large salary, enough, if he had used even reasonable economy, to have provided luxuriously for his old age, and to have made him independent of employers.

Instead of looking out, however, for a rainy day he and his wife had accepted an expensive apartment in a fashionable street, they dressed handsomely, they entertained lavishly, and indulged in every amusement they fancied. They lived up to the last cent of their income, and when the income suddenly stopped, they found themselves paupers, and were plunged in such deep distress.

If you could read these uncollected letters you would not doubt go to the nearest drug store and buy a box of Pyramid Pile Remedy at once, price fifty cents.

We do not ask you to do this. Send us your name and address and we will send you a trial package by mail, free.

We know what the trial package will do. In many cases it has cured piles without further treatment. It proves its value to you, order more from your druggist at 50¢ a box. This is fair, it is not simply cut out free coupon below and mail today, with your name and address on a slip of paper.

FREE PILE REMEDY

Sent to Demonstrate the Merits of Pyramid Pile Remedy.

What It Has Done for Others, It Can Do for You.

We have testimonials by the hundreds showing all stages, kinds and degrees of piles which have been cured by Pyramid Pile Remedy.

EL PASO WATERWORKS SYSTEM TO BE BEST IN STATE OF TEXAS

Superintendent Race Says System Is Worth \$1,200,000; Has 23 Wells.

Two months from today El Paso will have the best municipal waterworks system of any city in the state of Texas, both as regards fire protection and domestic service. Will E. Race, superintendent of the waterworks, is authority for this statement.

At present there are 23 wells on the mesa with an average depth of 600 feet and the water is pumped to consumers in El Paso some of the light of day but a moment, some of it never gets in contact with the open air until it runs out of the pipes in some El Pasoan's home.

It is pumped from the wells into a conduit and thence it is pumped into the mains, only the oversupply going into the reservoir for retention until such time as the supply runs a bit shy and then it is turned into the mains.

An air compressor, which is to cost \$25,000, is being installed by the Allis Chalmers company at the city waterworks on the mesa. It will be in working order by April 1, according to contract. This will force the water from the bottoms of the wells into pipes and then into the conduit. There will, when this compressor is completed, be a capacity of 500,000 gallons of water per day, which is doubling the present capacity.

Two sets of machinery for this compressor were tied up by snowstorms but are now on their way to join the other four that are installed and the pump at the Watts well has been put in perfect working order. It is now being insured by the city for \$25,000. The last of the big mains to be completed was that running from El Paso street along West Antonio street to Davis street, which is at the Union station. It is an eight inch pipe and runs a distance of 2200 feet. No new mains are to be laid at present, though plans are being made for other improvements.

The fire plugs which have been installed since the city took over the management of the waterworks are all of the double plug style and have a stem for the short hose which runs from engines for pumping.

CONTRACT ADOPTED BY SCHOOL BOARD

Carries Provision That Estimates Be Supplied by Contractor.

The school board met Wednesday night and adopted the contract for the East El Paso school, as drawn up by the committee, with the added provision that the contractor, C. M. Youngberg, present to the school board an estimate of the cost of all material and labor before the work is begun.

The contractor objected to this, but the school board would not hold to his objection and the contract was adopted by the board.

SANTA ROSA NOTES.
Santa Rosa, N. M., March 14.—Ex-shepherd J. M. Casaus and family will remove to the Casaus ranch near Ft. Sumner, within the next few days, where they will make their future home.

J. J. Clancey, of this city, has left for Santa Fe, where he will take up his duties as a member of the lower house of the state legislature.

Hon. Crofats Romero, ex-superintendent of the state penitentiary, spent a few days in Santa Rosa. He left for his home last evening.

A. Miles, father of Mrs. C. H. Stearns of this city, and M. Rigby and wife, of Santa Rosa, are spending a few weeks visiting the Stearns family. They have spent the winter in Los Angeles and other California points, and are on their way home to Iowa.

Kate Horsley has resigned as a teacher in the Cuervo schools and is attending high school in Santa Rosa.

Sale of seats, Elsie Janis, opened this morning 9 o'clock.

Baby's Voice

Every woman's heart responds to the charm and sweetness of a baby's voice, because nature intended her for motherhood. But even the loving nature of a mother shrinks from the ordeal because such a time is usually a period of suffering and danger. Women who use Mother's Friend are saved much discomfort and suffering, and their systems, being thoroughly prepared by this great remedy, are in a healthy condition to meet the time with the least possible suffering and danger. Mother's Friend is recommended only for the relief and comfort of expectant mothers; it is in no sense a remedy for various ills, but its many years of success, and the thousands of endorsements received from women who have used it are a guarantee of the benefit to be derived from its use. This remedy does not accomplish wonders but simply assists nature to perfect its work. Mother's Friend allays nausea, prevents caking of the breasts, and in every way contributes to strong, healthy motherhood. Mother's Friend is sold at drug stores. Write for our free book for expectant mothers.

FRISCO RIVER IS RUNNING BANK FULL

A. & N. M. Bridge at South Clifton Believed Safe; Slag Bridge Wrecked.

Clifton, Ariz., March 14.—A steady downpour of rain for a day and night has caused the Frisco river to again become rampant. There has been about a seven foot rise and the bed is full from bank to bank. Chase Creek is also up several feet and this stream greatly augments the waters of the Frisco, into which it empties at the A. & N. M. bridge. Thousands of feet of huge trees and driftwood have been steadily coming down the river and hundreds of Mexicans line both shores for over two miles roping the logs for firewood. The slag bridge across the river in South Clifton has been completely swept away by the terrific force of the water. A large quantity of the timbers can be saved, as they were held together by large cables.

The A. & N. M. bridge, at the same point, is receiving a tremendous beating from the force of the water, but is in no danger unless another rise comes. Work on the retaining wall has been abandoned and progress will now be delayed for some time. The present rise is the highest since the disastrous flood of 1908.

Dan Grant, a well known mining man of the Clifton-Morenci district, and who has for the past 10 years held a responsible position with the Shannon Copper company at Metcalf, has resigned his position. Mr. Grant has a position with the firm of John Sexton Co. as traveling salesman.

Richard Stephens and John Christy, of the S. & S. logging works, are spending the week in Safford on business.

Several horseback parties from Morenci were down off the hills the first of the week viewing the turbulent waters of the swollen Frisco.

Leo Gale and J. E. Robinson, El Paso salesmen, are in Clifton on a business trip.

Dud Eldridge is spending several days in Clifton from his Sunset Peak ranch. Mr. Eldridge, with his son, Mangus, who has been attending school in Los Angeles, will leave for their home in a short time.

Lawrence La Point, a prominent Morenci merchant, is a Clifton visitor.

L. Steesinger, Shannon mine superintendent, is in Clifton.

WOMAN'S TRIALS.

The burdens a woman has to carry through life are many but they can be lightened if she will turn to Dr. Pierce's Favorite Prescription. A soothing and strengthening nervine—subduing nervous excitability, prostration, hysteria, hot flashes and the many symptoms which may be caused by distressing ills peculiar to women. For those "dragging-down" pains or distress and for the deranged testimonial from people living in every part of America. Another important thing to every woman is that this medicine is made from efficient medicinal roots, without the use of alcohol, narcotics, or any injurious agents. Full list of ingredients given on bottle-wrapper and sworn to by Dr. R. V. Pierce—who is President of the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y. Every woman is invited to write to this institute and receive confidential and sound medical advice, entirely without cost from one who makes the diseases of women his specialty.

"I can cheerfully recommend your remedies, especially your 'Favorite Prescription,' for all female disorders," writes Mrs. M. M. MORENCI, of Bluff City, Tenn., Route 2. "During the past seven years I suffered from pains in the back and ovaries. Tried many remedies but found only transient relief until I was persuaded by a friend to try Dr. Pierce's Favorite Prescription. After giving this remedy a fair trial, I found that it would do just what it is recommended to do. I used it in all seven bottles. I cannot speak too highly of Dr. Pierce's remedies for all female derangements."

Dr. Pierce's Pleasant Pellets regulate liver ills.

Intendant at Metcalf, has been visiting Clifton friends. Dick Miller is spending several days in Clifton from the Double Circle ranch.

The delivery team of Hagan & Co. ran away in North Clifton and scattered a load of groceries for a considerable distance before they could be stopped. A Mexican, who was unable to get out of the way, was run over and badly bruised, but not seriously injured.

Dave Andrews, a former justice of the peace at Morenci, and who has been serving a term in the penitentiary at Florence for misappropriation of funds while in office, was this week pardoned by Gov. Hunt. Mr. Andrews has joined his family at Pima, where they have resided since his incarceration.

E. J. Riley, formerly deputy county recorder, has been appointed deputy county assessor and began his duties the first of the week. It is expected that the first Arizona state legislature will make this office permanent the year through as heretofore the assessor has been allowed a deputy for only a few months of each year.

A. T. Thomson, traffic manager of the A. & N. M. railroad, with headquarters in Clifton, has returned home from a several weeks' trip to San Francisco.

C. D. Hamilton, the good roads man who has been in Clifton for the past two months, has left with his wife for Safford, where he will spend some time in the interest of the good roads movement.

A. L. Terry, clerk of the board of supervisors, has moved his family and household goods to Clifton. Mr. and Mrs. Terry are guests of the Clifton hotel for the present, as they are unable at this time to secure a residence.

Inclina Motorcycles, Allen Arms and Cycle Co. Fresh Buttermilk, El Paso Dairy.

One hundred fifty shop-worn doors at half price. Lander Lumber Co.

TELEPHONE COMPLAINTS EARLY. Subscribers failing to get The Herald promptly should call at the office or telephone No. 2036 before 8:30 p. m. All complaints will receive prompt attention.

A Customer Leaving Your Store Must Have Done One of Five Things

1 Bought Goods for Cash	2 Bought Goods on Credit	3 Paid Money on Account	4 Collected Money	5 Changed a Coin or Bill
A National Cash Register insures the merchant that all cash will be accounted for and handled correctly. It prevents lost customers through misunderstandings over change. It benefits the customer because it prevents annoyance and loss through disputes, and enables him to prove prices paid. It benefits clerks by removing temptation, preventing unjust suspicion, and enabling them to prove their worth.	A National Cash Register benefits the merchant by preventing loss through failure to charge goods sold on credit or through lost charge slips. It benefits the customer by preventing wrong amounts being charged to his account. It benefits the clerk by furnishing evidence that he has entered the proper charge and handled the transaction correctly.	A National Cash Register enforces a correct record and this insures the merchant that he gets all money received on account. It furnishes the customer proof of having paid and enables him to know that he receives proper credit. It removes temptation from the clerk and furnishes him the means of proving his carefulness in handling money.	A National Cash Register benefits the merchant, by preventing anyone paying out money without leaving a record of the amount. This enables him to balance the cash quickly and prevents bills being paid twice. It benefits the one to whom money is paid because it precludes the possibility of dispute in the future. It benefits the clerk by showing evidence that he paid out the correct amount.	A National Cash Register protects the merchant against loss in making change and furnishes the means of advertising to those who ask to be accommodated. The customer is benefited because the merchant is willing to extend the favor of changing a coin or bill when he can do so without the chance of loss. It guides the clerk in furnishing money, and furnishes evidence of his accuracy.

A National Cash Register benefits Merchant, Customer and Clerk on all of these Transactions

We have always guaranteed to furnish a better cash register for less money than any other concern in the world

We can do this because:

1. We created the industry and have devoted thirty years to its development.
2. Expert inventions departments have always been making valuable improvements to meet the merchants' needs.
3. Improved machinery, well arranged factory and organization, have reduced cost of manufacturing.
4. Improved working conditions have resulted in co-operation which meant a better product.
5. We have always maintained a field force of thoroughly trained business experts capable of offering valuable suggestions to merchants.
6. We have for years held schools and conventions where employees are trained in their work.
7. The demands of merchants have always been our guide in building machines.
8. We have extended the cash register business to every civilized country in the world. By doing a large foreign business, we are able to manufacture in large quantities and sell at lowest prices.
9. In 1911 we sold 136,016 Cash Registers. 41% of this business was sold in foreign countries.
10. More than one million National Cash Registers have been sold.
